

GREEN CARD YOUTH VOICES: IMMIGRATION STORIES FROM MINNEAPOLIS AND ST. PAUL YOUTH HIGH SCHOOLS

— Traveling Exhibit —

Who We Are

Green Card Voices is a Minneapolis-based, nationally growing social enterprise that works to record and share first-person narratives of America's immigrants to facilitate a better understanding between immigrants and their communities.

Working through local partnerships with high schools, universities, and community organizations since 2013, Green Card Voices works to build a platform that amplifies the voices of immigrants. Their programming includes published books, traveling exhibits, and an online video library that currently features stories of over 500 immigrants and refugees coming from over 140 different countries.

What We Do

Sharing immigrant stories is the essence of Green Card Voices. While our stories are always available at our digital library at greencardvoices.org, the most effective way to engage students and the community is through our traveling exhibit, which can be used in tandem with our books and curriculum.

About the Exhibit

Produced in collaboration between LEAP High School, Wellstone International High School and Green Card Voices, this exhibit was inspired by two acclaimed books *Green Card Youth Voices: Immigration Stories from a St. Paul High School* and *Green Card Youth Voices: Immigration Stories from a Minneapolis High School*.

These two books are a unique collection of 60 personal essays by young, new Americans. We highly encourage you to experience this exhibit in tandem with the books, if at all possible.

About the Book

In both, the two books and this exhibit, you will find the life journeys of incredible young people in written and oral format. Some of the youth have fled xenophobia, others came to be reunited with family, and all left behind loved ones. Throughout it all, each of them has shown tremendous resiliency, ample courage, and unabashed hopes as they imagine their futures in this new country.

We hope this exhibit will generate awareness and facilitate dialogue that will promote understanding and acceptance.
