

# GREEN CARD YOUTH VOICES: IMMIGRATION STORIES FROM A FARGO HIGH SCHOOL Traveling Exhibit

## Who We Are

We are Green Card Voices. A Minnesota-based non-profit aimed at changing the way the world perceives immigrants. Through the power of storytelling, we connect the voices of immigrants unheard to the public.

## What We Do

Sharing immigrant stories is the essence of Green Card Voices. While our stories are always available at our digital library at [greencardvoices.org](http://greencardvoices.org), the most effective way to engage students and the community is through our traveling exhibit, which can be used in tandem with our books and curriculum.
