

# GREEN CARD YOUTH VOICES: IMMIGRATION STORIES FROM A MINNEAPOLIS HIGH SCHOOL Traveling Exhibit

## Who We Are

We are **GREEN CARD VOICES**. A Minnesota-based 501 (c)3 non-profit aimed at fostering a better understanding between the immigrant and non-immigrant populations.

## What We Do

Sharing immigrant stories is the essence of Green Card Voices. While our stories are always available at our digital library at [greencardvoices.com](http://greencardvoices.com), the most effective way to engage students and the community is through our traveling exhibit, which can be used in tandem with our books and curriculum.

## Exhibit Description

This exhibit was inspired by the acclaimed book *Green Card Youth Voices: Immigration Stories from a Minneapolis High School*. The exhibit includes stories of lost loved ones, life in refugee camps, walks through deserts, and first snow falls. The young people featured in the exhibit immigrated for many different reasons, but a common thread unites them; despite tremendous tribulation, they continue to work toward futures of which they dream.

## About the Book

Produced in collaboration with Wellstone International High School, *Green Card Youth Voices: Immigration Stories from a Minneapolis High School* is a unique collection of personal essays of 30 students from 13 countries including Cameroon, China, Ecuador, El Salvador, Ethiopia, Guatemala, Haiti, Honduras, Kenya, Mexico, Sierra Leone, Somalia, and Yemen. It also includes a study guide, glossary, and foreword by Kao Kalia Yang, author of *The Latecomer: A Hmong Family Memoir*. We highly encourage users to experience this exhibit in tandem with the book.
